

**Session 2009/2010**

## **Certificate in Electro Technical Technology Installation (Buildings & Structures) City & Guilds 2330: Level 2 (Electrical Installation)**

**(Ref: 1 year course – T59/T60 and 2 year course – T61/T62/T63/T64)**

Course Duration: 1 or 2 Years – depending on experience

Part Time: Normally 1 day or 2 evenings per week

### **Course Outline**

This course is aimed at practicing electricians who wish to gain this formal qualification or for people who wish to begin their career as potential electricians. It covers installation of electrical equipment in commercial, domestic and industrial premises. Successful completion of this course is one of the entry requirements for the City & Guilds 2330

Level 3, which is a one-year, part-time course and also provides the underpinning knowledge for the NVQ level 3 – Work Based Qualification.

### **Course Content**

The course builds technical knowledge and practical skills. The theory content of the syllabus is approximately 60 per cent and the practical elements amount to around 40 per cent. Well-equipped workshops on the campus provide a realistic working environment.

The course consists of four core units:

- Working effectively and safely in an electro-technical environment
- Principles of electro-technology
- Application of health and safety and electrical principles
- Installation (buildings and structures)

### **Assessment**

External assessment for each unit takes the form of a multiple choice examination which is completed On-Line. There are also two practical assessments.

## Entry Requirements

For the “one” and “two” year course learners must:

- Have achieved 2 GCSE’s at Grade D or above in Maths, English or Science (Grade C would be desirable in Maths) or have achieved at least Level 2 in Literacy and Numeracy, as well as a good level of dictation in the College based Initial Assessment process
- Achieved at least 80% attendance in any previous College based course
- Confirm that 80% attendance can be achieved
- Achieved at least 80% attendance and demonstrated a conscientious attitude in learning in any previous College based course
- Undertake appropriate additional support should this be required
- Provide their own substantial footwear and overalls, which must be worn at all times when undertaking practical activities. Other materials shall also be provided by the learner, including: pens, paper, files, calculator and rule – which must be brought to all lessons
- Attend interview. At the end of the interview, acceptance/non acceptance for the course will be confirmed

In addition, for the “one” year course, learners must have all the above plus:

- Evidence of having a good grounding in electrical work

## How to Apply

Application forms can be obtained from the Enrolment Centre, telephone 01785 275607. You can also download an application form for part-time courses by visiting our website [www.staffordcoll.ac.uk](http://www.staffordcoll.ac.uk). The completed form should be returned to: Enrolment Centre, Stafford College, Earl Street, Stafford ST16 2QR.

## Further Information

If you would like any more information about the College or our courses then write, visit or telephone the Enrolment Centre on 01785 275607. Our email address is [enquiries@staffordcoll.ac.uk](mailto:enquiries@staffordcoll.ac.uk). If you are unsure about which course to take, we can arrange for you to get the advice you need from a member of our guidance team.

## Equality and Diversity

Stafford College is committed to achieving equality of opportunity for all staff, students and members of the community it serves. In doing so, the College will actively work to achieve equality regardless of age, race, skin colour, disability, gender, marital status, sexuality and faith.
