

Session 2009/2010

City & Guilds Intermediate Certificate in Maintenance of Construction Plant – Level 2

This is an Award run by The Construction Awards Alliance (CAA)

Course Duration: 2 years

Full Time: Integrated with part-time course hours per week will vary

Course Outline

The Intermediate Certificate in Maintenance of Construction Plant is designed to prepare people to maintain and repair plant machinery and equipment. It has been specifically developed for delivery in a training environment using simulated conditions, and the assessment is based on the candidate showing what they can do as an individual through the completion of set assignments. This qualification provides a progression route to achieving a relevant Construction NVQ at Level 2.

Course Content

- Plant Maintenance Workshop Practices
- Carry Out Service and Maintenance Requirements
- Removal and Replacement of Components and Assemblies
- Removal and Replacement of Components and Assemblies (Small Plant and Tool)
- Dismantle, Measure, Examine, Assess and Assemble Components
- Fabricate, Form and Join Materials to Produce and Repair Components
- Diagnostic and Condition Assessment Procedures
- Carry Out Test Procedures
- Handle, Move and Support Loads
- Procedures to Configure Plant and Equipment
- Installation and Handover Procedures for Plant and Equipment

- Key Skills - Application of Number – Level 1
- Key Skills - Communication – Level 1

Assessment

- A set number of Practical Assignments
- On-Line Testing of Knowledge

Entry Requirements

Learners must:

- Have achieved GCSE Grade D/E in Maths and English Language or have achieved at least Level 1 Key Skills in Numeracy and Literacy, as well as a good level of dictation in a College based Initial Assessment process
- Achieved at least 80% attendance and demonstrated a conscientious attitude to learning in any previous College based course
- Demonstrate a positive interest in construction plant studies at interview
- Provide a reference and/or recent school report which demonstrates a conscientious attitude to learning
- Undertake appropriate additional support should this be required
- Provide your own safety boots and overalls, which must be worn at all times when undertaking practical activities. In addition, you should also provide: 2 ring binder folders, pens, paper, calculator etc. A computer memory stick would also be very desirable
- Be willing to work and be conscientious in their approach to both Practical and Theoretical aspects of the course, along with associated studies

How to Apply

Application forms can be obtained from the Enrolment Centre, telephone 01785 275468. The completed form should be returned to: Student Services, Stafford College, Earl Street, Stafford ST16 2QR. You can also apply online by visiting our website www.staffordcoll.ac.uk

Further Information

If you would like any more information about the College or our courses then write, visit or telephone Student Services on 01785 275468. Our email address is enquiries@staffordcoll.ac.uk.
