

Session 2009/2010

NVQ Level 2 in Trowel Occupations

(Ref: T50)

Course Duration: 1 Year

Part Time: See course outline below

Course Outline

This course is aimed at candidates who are already in appropriate employment within the Trowel Occupations sector. The course is based within the work place where assessment will take place, but learners may have to attend College for training sessions and building a portfolio. This will be agreed with the candidate at interview. Successful completion of this course is one of the entry requirements for progression onto the equivalent Level 3 course.

Course Content

The following mandatory units will be studied:

- Conform to General Workplace Safety
- Conform to Efficient Working Practices
- Move and Handle Resources
- Erect Masonry Structures
- Set Out Masonry Structures

In addition, one optional unit must be undertaken from the following:

- Erect Masonry Cladding
- Domestic Drainage
- Thin Joint Masonry Structures
- Place and Finish Non-Specialist Concrete

Assessment

Assessment of this qualification will be by observation in the work place and the building of a portfolio of evidence.

Entry Requirements
