

Session 2009/2010

VTCT Certificate in Nail Technology (Artificial Nail Structures) Level 2

Part Time Course Duration: 3 hours x 16 weeks

Day: Monday

Time: 6.00 pm – 9.00 pm

Start Date: 11th January 2010

Course Outline

The aim of the course is to give the learner a thorough knowledge of Nail Technology, to include sculptured nail applications and removal. The successful learner will be awarded a nationally recognised qualification.

The facilities available on site are of an excellent standard.

Course Content

- The theory and practice of nail treatments and nail technology
- Relevant Anatomy and Physiology
- Employment Standards and Health & Safety

Assessment

A portfolio of evidence will be collected by the learner for assessment. This will consist of written, oral and observed practical evidence.

Whilst Stafford College will attempt to encourage clients, learners should make every effort to provide their own clientele in order to complete their practical assessments.

Entry Requirements

A professional/recognised manicure qualification **and** VR02/VR74 (D1120) Certificate is necessary **before** commencing this course.

Fees

| | |
